Re: *Henri v. Thelus*, 1:24-cv-00329-VEC

Your Honor:

I represent the plaintiff, and write to ask the Court for an extension of time to comply with the Court's Preliminary Conference Order, and for the conference itself. The parties had previously agreed that defendants would file a motion to dismiss by April 5, 2024. I had incorrectly assumed that the Conference would be adjourned because of the motion; I apologize for my error. I previously asked for an extension solely because of difficulty in serving the defendants, but that has now been accomplished.

I am presently out of the US for family reasons, and will return around April 23, 2024. I would respectfully ask that the Court adjourn the conference until anytime in early May, with the joint letter to be submitted a week or so before.

I appreciate the Court's attention.

Respectfully,

A handwritten signature in black ink, appearing to read "Richard A. Altman". The signature is fluid and cursive, with the first name "Richard" being the most prominent.
